## Prayers

Sometimes things happen in life that are a challenge or joy and we would like to be able to be supported by our church family. For this reason there is a confidential prayer chain, anybody can contact me with a request and I email it out to those on the group. Those on the group do not know who else is on it to discourage any "conversations" about the matter and make the focus prayer. I feel that it would be a good time to refresh the list and so could anybody who would like to help people in this way drop me an email or phone call, I will not carry any names over from before.

If you would ever like prayer please feel free to contact me through the website link or by email or phone. You will have the opportunity to say whether you want the request to go to the prayer chain only or are happy for your name to be added to the newssheet prayer list which is then used in church.
