Ride & Stride

Saturday 9th September 2017

Each year **Historic Churches Trust** organise the above cycle ride round UK to raise money for the maintenance of our **treasured churches** across the country and we have taken part around Dorset for several years. We have a team of riders (who Anne and Tim Brown organise) and everyone sponsors our team to raise money for Historic Churches trust. The money is collected in and sent to them and they send half back to us.

The Trust has helped us with work on the church in the past and we will be asking them for help again in the future so it is vital we support this event. It would be really great if we can man the church so we can welcome riders and offer them refreshment but we need a team of people to do these jobs so it is spread amongst us. If you can offer any help please let Annie know on **01202 622512**

Cream Tea thanks!

Thank you to all who helped, in whatever capacity, be it bakers, donations of plants and food item to those that helped on the day, and those important people who came and drank tea and ate cake!

It was everyone working together that enabled us to raise just **over £500** for the repair and upkeep of our lovely church. But...it isn't over yet! Our next cream tea is **July 16th**, which will feature a **musical extravaganza!** So get practicing tapping those toes.

Thanks to you all again

Ann and Karen's Zipwire Challenge

For all those I managed to nobble on Sunday to sponsor Karen & I for this challenge **we did it**, have the **certificate** and **photo** to prove it. I personally will admit to getting a bit of a wobble when I climbed up to the top and if I had not asked any of you kind folk to sponsor me I think I would have climbed back down but your money and Karen being there encouraged me to see it through.

Am planning to ask if anyone else at the church might want to throw in a donation!

So far we have raised **£70.00** towards **church funds**.

A big thank you to you all.
