Eco Church Bronze Award!

Awarded to St Mary's

For those of you who may not have heard the good news yet – St Mary's have achieved a **Bronze Eco Church award!** Eco Church is a project developed by a Christian charity - A Rocha UK – which works alongside Christian Aid, The Church of England, The Methodist Church and Tearfund. Eco Church allows churches to demonstrate that the gospel is good news for God's earth. A Rocha UK began in 2001 and has been practically involved in nature conservation since then.

If you would like to know more about Eco Church do come along to an Eco awareness day on **Saturday, 19th October** – from 11am until 2pm. There will be information about the Eco Church initiative and ideas about how we can all do something (however small) to help care more for God's creation. Refreshments available as well as the chance to become more involved in helping St Mary's achieve the silver award.
